Dear Sir,

Offer Internship opportunities to University Students at the National Chamber of Exporters of Sri Lanka (NCE).

The NCE is the only private sector Chamber in Sri Lanka which exclusively serves Sri Lankan exporters. The Membership of the Chamber comprises export companies representing all product sectors and service providers to exporters. They include some of the big Export Houses in Sri Lanka as well as many Small and Medium enterprises.

The Chamber is pleased to offer 06-month internship opportunities starting from October 2023 for Sri Lankan University Students, to carryout export related assignments of the Chamber related areas– International trade, Marketing, Event organizing and Public relation.

We believe the opportunity provided will enable them to widen their educational horizon for future employment opportunities, Since export companies make a vital contribution to the economic development of Sri Lanka.

The Chamber will provide selected students a suitable stipend during the training.

If you are interested in making use of this offer, we would request you to send us the Curriculum Vitae of the applicant students before 31st August 2023 to enable the Chamber to select the most suitable students from among the applicants.

Appreciate your positive outlook in this regard.

Thank You,
National Chamber of Exporters of Sri Lanka (NCE)
